

As WECS are on CC rotation for our Championship show in 2019 we are instead hosting a “Rough Collie” Breed Appreciation Day (BAD) on our usual show date of Sunday 7th July 2019, at our Open Show venue at East Huntspill Village Hall, Nr. Highbridge, Somerset TA9 3PG. This will be compliant with the KC “Judges Competency Framework”.

The BAD, with discussion of the Breed Standard, followed by a practical session, is open to all. The following Multi Choice Exam (MCE) is limited to candidates who are already approved to give CCs in another breed, or who have fulfilled the KC JCF Entry Level criteria and completed Level 1. Further details can be found on the KC JCF website, or by contacting Carole Smedley (KC Breed Education Coordinator) at ca.antoc@btinternet.com .

The afternoon session, following lunch, will be a Hands On Assessment, limited to candidates who are currently on the “A3 List” (Level 3) or “B List” (Level 2) for Rough Collies. This Assessment is to assist judges aiming for “A2” before the end of the transition period on 31 December 2021.

As the JCF is now mandatory for anyone wishing to continue or commence judging at any KC licenced event, demand is expected to be high, so early booking is advised.
